#### XC RACING CLINIC

The XC Racing Clinics will be presented by a group of experienced cross country coaches and are open to youth and adult runners and coaches. Participants will work in small groups and cover information on equipment, warm-up, race preparation, XC racing strategy and course tactics. Most activities will take place on the Freestyle Farm XC courses with technical instruction on running hills, turns, different surfaces, routing, pacing and pace changes. The clinic fee includes a shirt and race entry. Day of event registration for clinic only if space is available.

#### COURSE INFORMATION

The Amherst Track Club Cross Country Festival races will be run on groomed courses at the Freestyle Farm equestrian center. The trails surround a 50+ acre pond. The trail surface is grass and dirt with excellent footing. Most of the terrain is gently sloping with a series of short hills. There are no paved surfaces and no vehicles on the course. The Steeplechase course contains 14 barriers and a water hazard. XC racing shoes or XC spikes recommended. Freestyle Farm is a private equestrian facility that is not open to the general public.

All proceeds benefit youth track and field programs of the Amherst Track Club.
